The Brevard Bulls are currently comprised of nine (9) basketball teams ranging from 17 years old to 9 years old. Our organization is a liaison between the student-athletes, their parents, and their teachers. We provide mentoring and monitoring of academic progress.

It is the mission of the Brevard Bulls to provide an environment that encourages the pursuit of lifetime goals, a sense of commitment and teamwork, and the development of personal character while maintaining an environment that values discipline.

We would like to invite you to partner with the Brevard Bulls. Your contribution to our organization will alleviate the cost of transportation, hotel accommodations, uniforms, practice equipment, and tournament fees. Your contribution will allow us to cover our fees for the fiscal year 2012.

In return for your sponsorship, we will be willing to assist you on any promotional programs you may be planning during this upcoming 2012 year. Your decision to participate in this life-changing experience for young men in our community is an honor.

To officially commence our partnership, we would like to meet with you. A member of our staff will contact you in the next couple of days for a teleconference or setup an appointment to meet personally. We appreciate your consideration and thank you in advance for your partnership.

Sincerely,

Steve K. Hughes, President
